- ATTEMPTED
- BOARDED
- HIJACKED

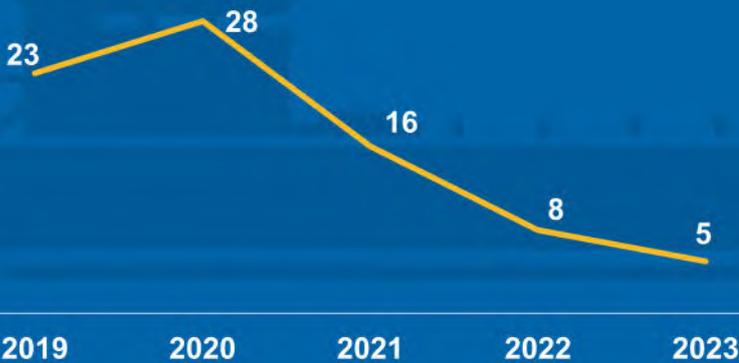

Impact on crew:

- THREATENED
- KIDNAPPED
- HOSTAGE
- ASSAULTED

Total number of reported incidents comparison:

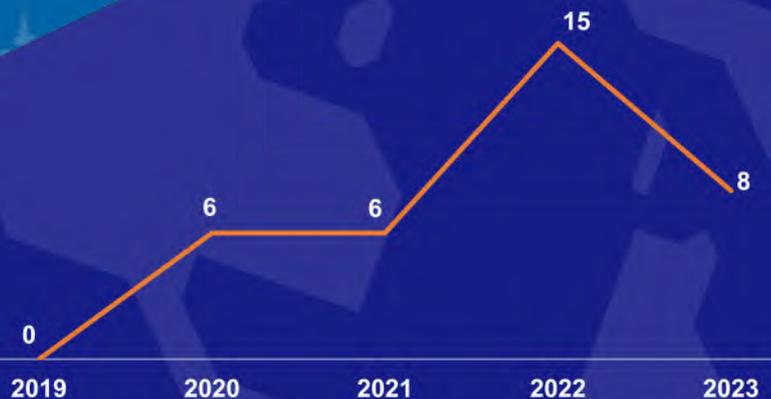

Gulf of Guinea

While the reduction is welcomed within the Gulf of Guinea waters, there simply can be no room for complacency. The **IMB Piracy Reporting Centre** encourages increased and coordinated efforts of the coastal authorities of the Gulf of Guinea and calls for a more robust international naval presence to aid in addressing the issues of piracy within the international waters of the Gulf of Guinea.

92%
OF VESSELS ATTACKED
WERE BOARDED

Singapore Straits Reported incidents
